Transportation Advisory Committee
Monday April 16, 2018 @ 5:30pm
MINUTES

City Hall Courtroom

Chairperson Whittenburg called the meeting to order @ 5:30pm.

All members were present. Also present were Mayor Graham, Phillip Stuckert, Victor Lay, Chuck Downham.

Motion to approve March minutes was made by Terry Love and seconded by Chairman Whittenburg
Minutes were approved 7-0.

The meeting began with a 40 minute presentation by Peter Westerholm on the Metro Nashville Transit Plan with a brief Q&A that followed.

Agenda item 2- Hwy 31 widening update: Victor Lay informed the committee that the plan to widen Hwy31 was NOT on the TDOT 3 year plan.

Agenda item 3- Traffic signal at Port Royal and Buckner Lane:

Mr. Lay informed the TAC that the timing loop added 2additional seconds to the spacing for the NB left turn timing. New striping and signage was added to help inform the public of a new traffic pattern for the light.

Agenda item 4- CIP road ranking for FY 2018/19 Budget:

The TAC will work on a resolution to present to the BOMA at their May meeting.

Agenda item 5- Traffic volumes due to TDOT construction on Critz Lane:

The committee asked Mr. Lay to check with TDOT to see what the current status was of the completion of the west end of Critz Lane (intersecting with Hwy31)

Agenda item 6- Planning Commission/BOMA transportation related updates/discussion:

A discussion regarding a rezone request before the BOMA and a need for a possible traffic signal on Buckner Lane if approved was had, and two other Site plans before the PC were also discussed when th no formal recommendation from the TAC regarding traffic impacts to the affected areas.

Agenda item 7- Discussion on transit projects and opportunities:

Terry Love suggested that TAC look at opportunities to "go to the people" instead of having the people "come to us" to discuss alternate transportation opportunities.

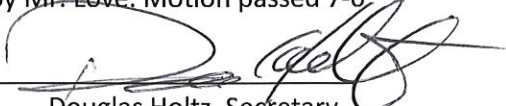

Agenda item 8- Striping /Turn lanes/ Signage Improvements: Doug Holtz suggested revisiting the idea of "No turn on red" signs at certain intersections along Hwy 31 during certain times of the day to assist with traffic flow. Victor Lay informed the committee that signs are being looked into to test at the Buckner/Main Street intersection.
