I got you a present.

Eww... Gross.
I'm a vegetarian.

A white cat is on the left, holding a small fish in its mouth. A black cat is on the right, looking at the white cat.

Don't worry little fishy
I will save you.

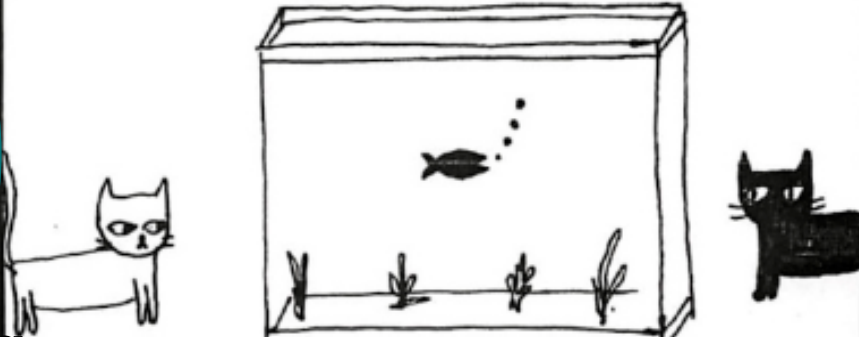

A black cat is on the right, looking at a small fish on the ground. A white cat's tail is visible on the left.

Have fun with your new friends
little fishy.

A black cat is standing on a ladder, reaching into an aquarium to feed the fish. The aquarium contains several fish and some plants.

You still a vegetarian?

I'm reconsidering it.

A white cat is on the left and a black cat is on the right, both looking at an aquarium. The aquarium contains a single fish and some plants.
