## **COURSE LEARNING OBJECTIVES / SCOPE**

This course is designed to provide the student with a basic understanding of the many concepts and issues relative to Criminal Procedure in police operations. It focuses on the patrol level aspects. It provides the student with a basic knowledge and understanding of acceptable practices that help in the application of police work. It covers topics such as current Procedure Case Laws, Current applicable practices, and other related topics. This is a 10 hour, 1 day course. Each student will also learn the importance of continued education and training in this discipline. This course is specifically designed for law enforcement and security personnel.

AFTER SUCCESSFUL COMPLETION OF THIS COURSE, THE STUDENT SHOULD BE ABLE TO:

- Understand the basics of Criminal Procedure relating to law enforcement work.
- Successfully prepare for the job by learning and understanding the legal restrictions and requirements under Criminal Procedure as it relates to the Constitution.
- Understand Department General Orders and Directives when handling Searches, Seizures, Use of Force, Interrogations, Interviews, Detentions, and other related topics.
