

**SPRING HILL BOARD OF ZONING APPEALS  
REGULAR MEETING  
MONDAY, NOVEMBER 13, 1995  
5:30 P.M.**

Chairman, Pat Campbell, called the meeting to order. Present were: Ron Hankins, Gwynne Evans, Loyd Anderson, Charles Brown (Building Inspector), Mike Wood (State Planner), and Robin Courtney, City Attorney.

Chairman Campbell: First on the agenda is a request from the Boy Scouts for a variance to build a Club House in the Flood Way on Kedron Pike.

(Through further research, it was discovered that the property was at the edge of a flood way. The request was amended to read "Special exception in R-1 Zoning, flood fringe area on Kedron Road, to build a Boy Scout Club House.")

Ron Hankins moved to approve the request from the Boy Scouts as amended. Motion seconded by Ray Williams. Unanimous.

Chairman Pat Campbell adjourned the meeting.
