

Mr. William Slattery presented the request for the adoption of Sub-Division Regulations. Mark Ide made the motion to adopt the request, seconded by George Jones. Motion carried.

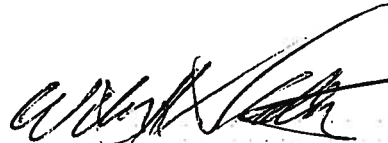

Ron Cooper explained there are technical specifications with construction of street-right aways, loads, drainage, etc., -road standards that will become part of this sub-division regulation.

Mark Ide made the motion that the Zoning Board meet the second Monday of each month, starting September 9, at 7 P.M. , with called meetings in between, if needed. Notification will be run in the paper, two(2) days in running, seconded by George Jones. Motion carried.

Mark Ide also made the motion that those needing to be on the Zoning Board turn their requests in 14 days in advance of the meetings. Motion seconded by George Jones, Motion carried.

Charles Soper, George Hatler, and Carl Nelson made inquiries on property signs, provisions in the Zoning Ordinance, Zoning Law, permits and notification of re-zoning of adjoining property to commercial or industrial and thru streets to commercial property from residential areas. These inquiries are recorded and will be on file to be looked at at a later date.

George Jones made the motion to adjourn, seconded by Mark Ide. Motion carried.

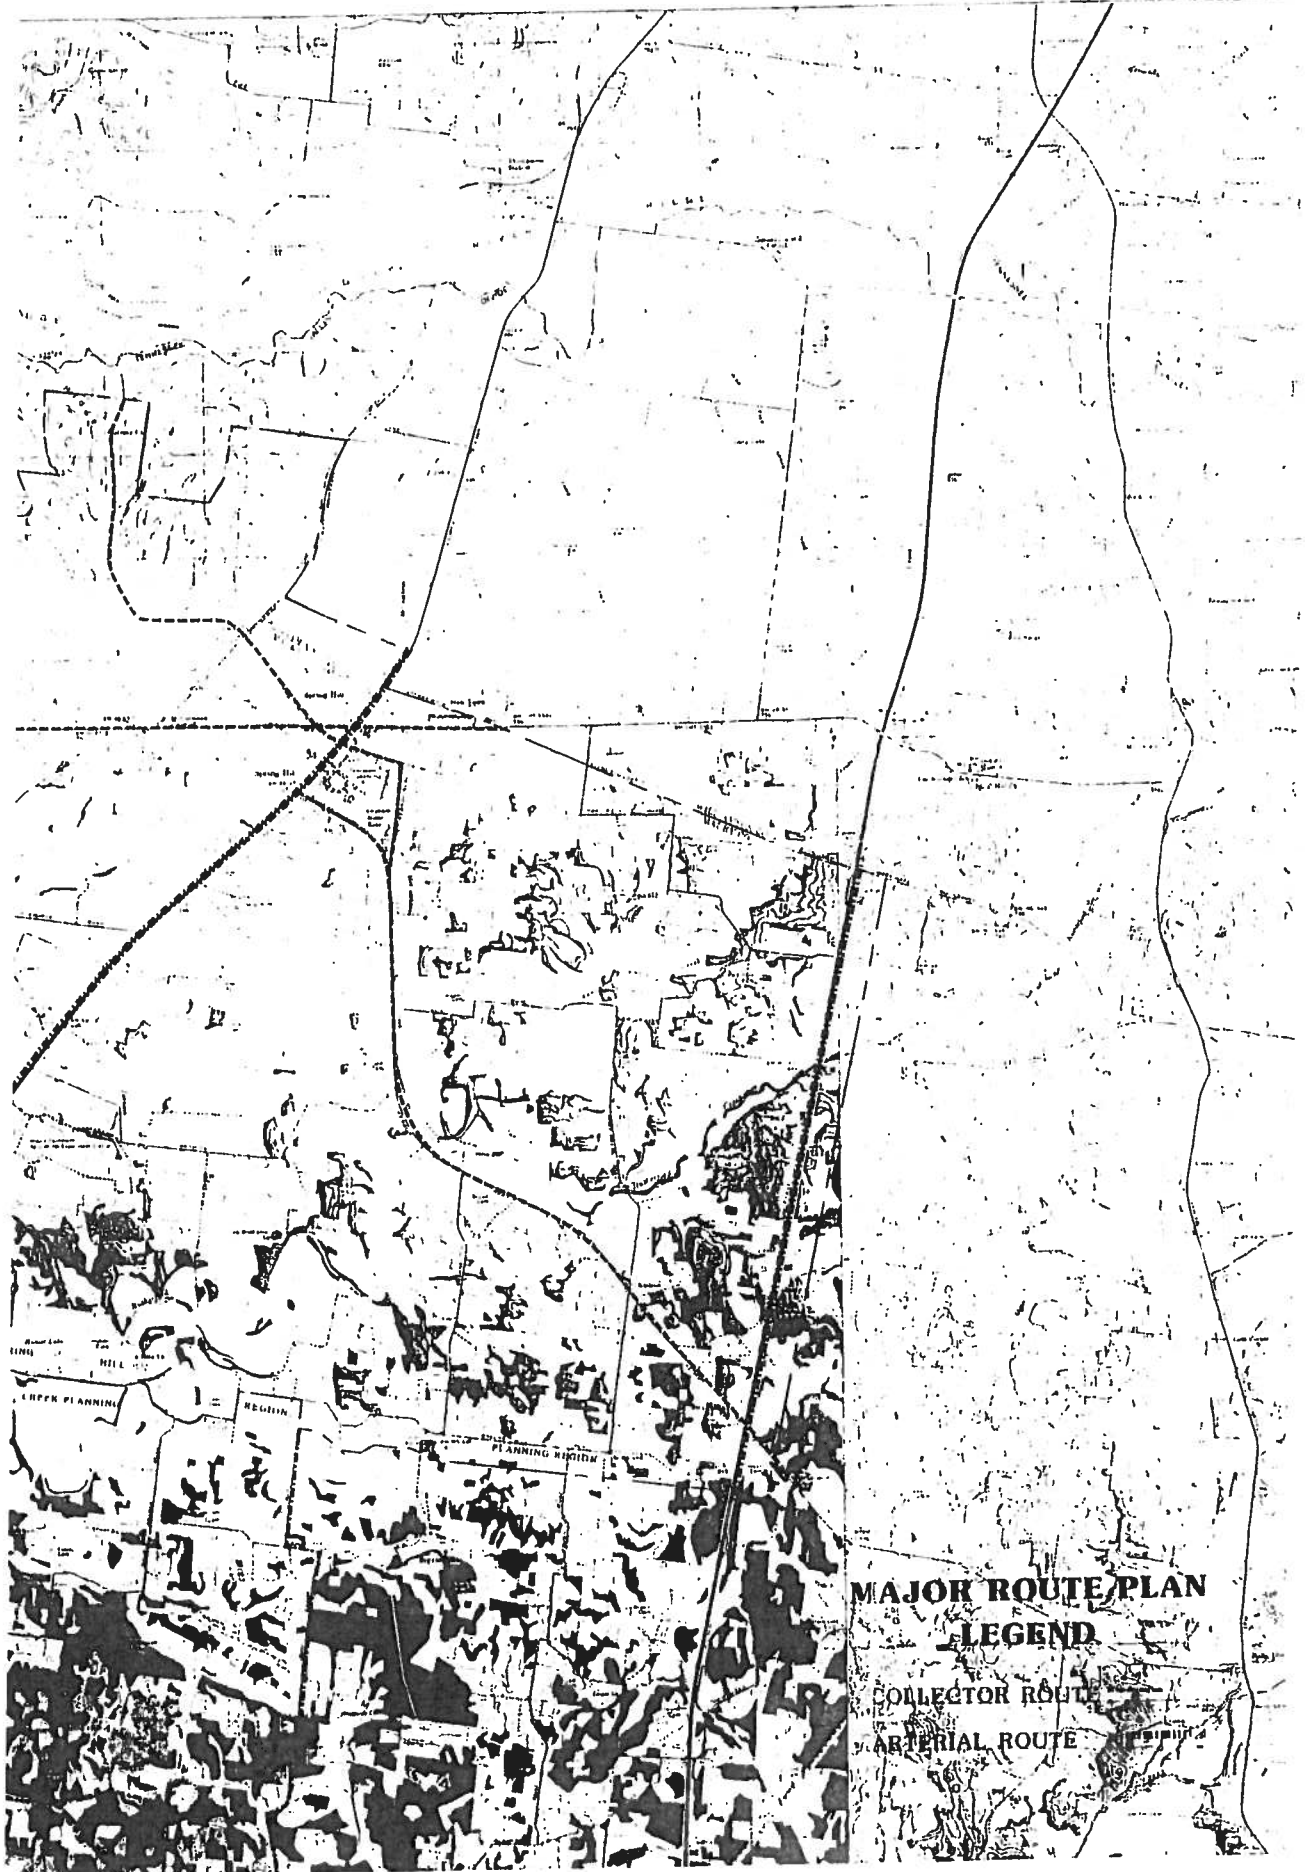

~~George Jones, Mayor~~
