  - c. Update on latest round of condition assessments
- 6. Planning Commission Update (standing item, as needed)
  - a. Discussion of Tennessee Children’s Home arterial road improvements
- 7. Roundtable
- 8. Adjourn

**SUBJECT:** 2019-2020 NSP projects

**DATE:** July 31, 2019

**ATTENTION:** Transportation Advisory  
Committee

**STAFF:** Missy Stahl, Senior Project Manager

---

### **STAFF MEMORANDUM**

As part of the approved projects for the 2019-2020 budget year under the Neighborhood Sidewalk Program, a connection was approved from the entrance of Glenmont subdivision to cross Buckner Lane and connect to the existing sidewalk. The quote for this project was \$11,250.00.

Staff has identified a small connector section on Hummingbird Lane in the Whispering Woods subdivision that currently does not have sidewalks, leading from the Battle Creek schools to an existing sidewalk. The quote to complete this connection is \$10,750.00.

As the City has plans to widen Buckner Lane within the next few years, staff recommends postponing the installation of the sidewalk at the entrance of Glenmont subdivision (to avoid removal of a newly-installed sidewalk) and substituting the Whispering Woods subdivision connector sidewalk. The quotes are within \$500.00 difference so the amount budgeted would remain the same.

Glenmont - out of subdivision onto Buckner Ln  
towards School

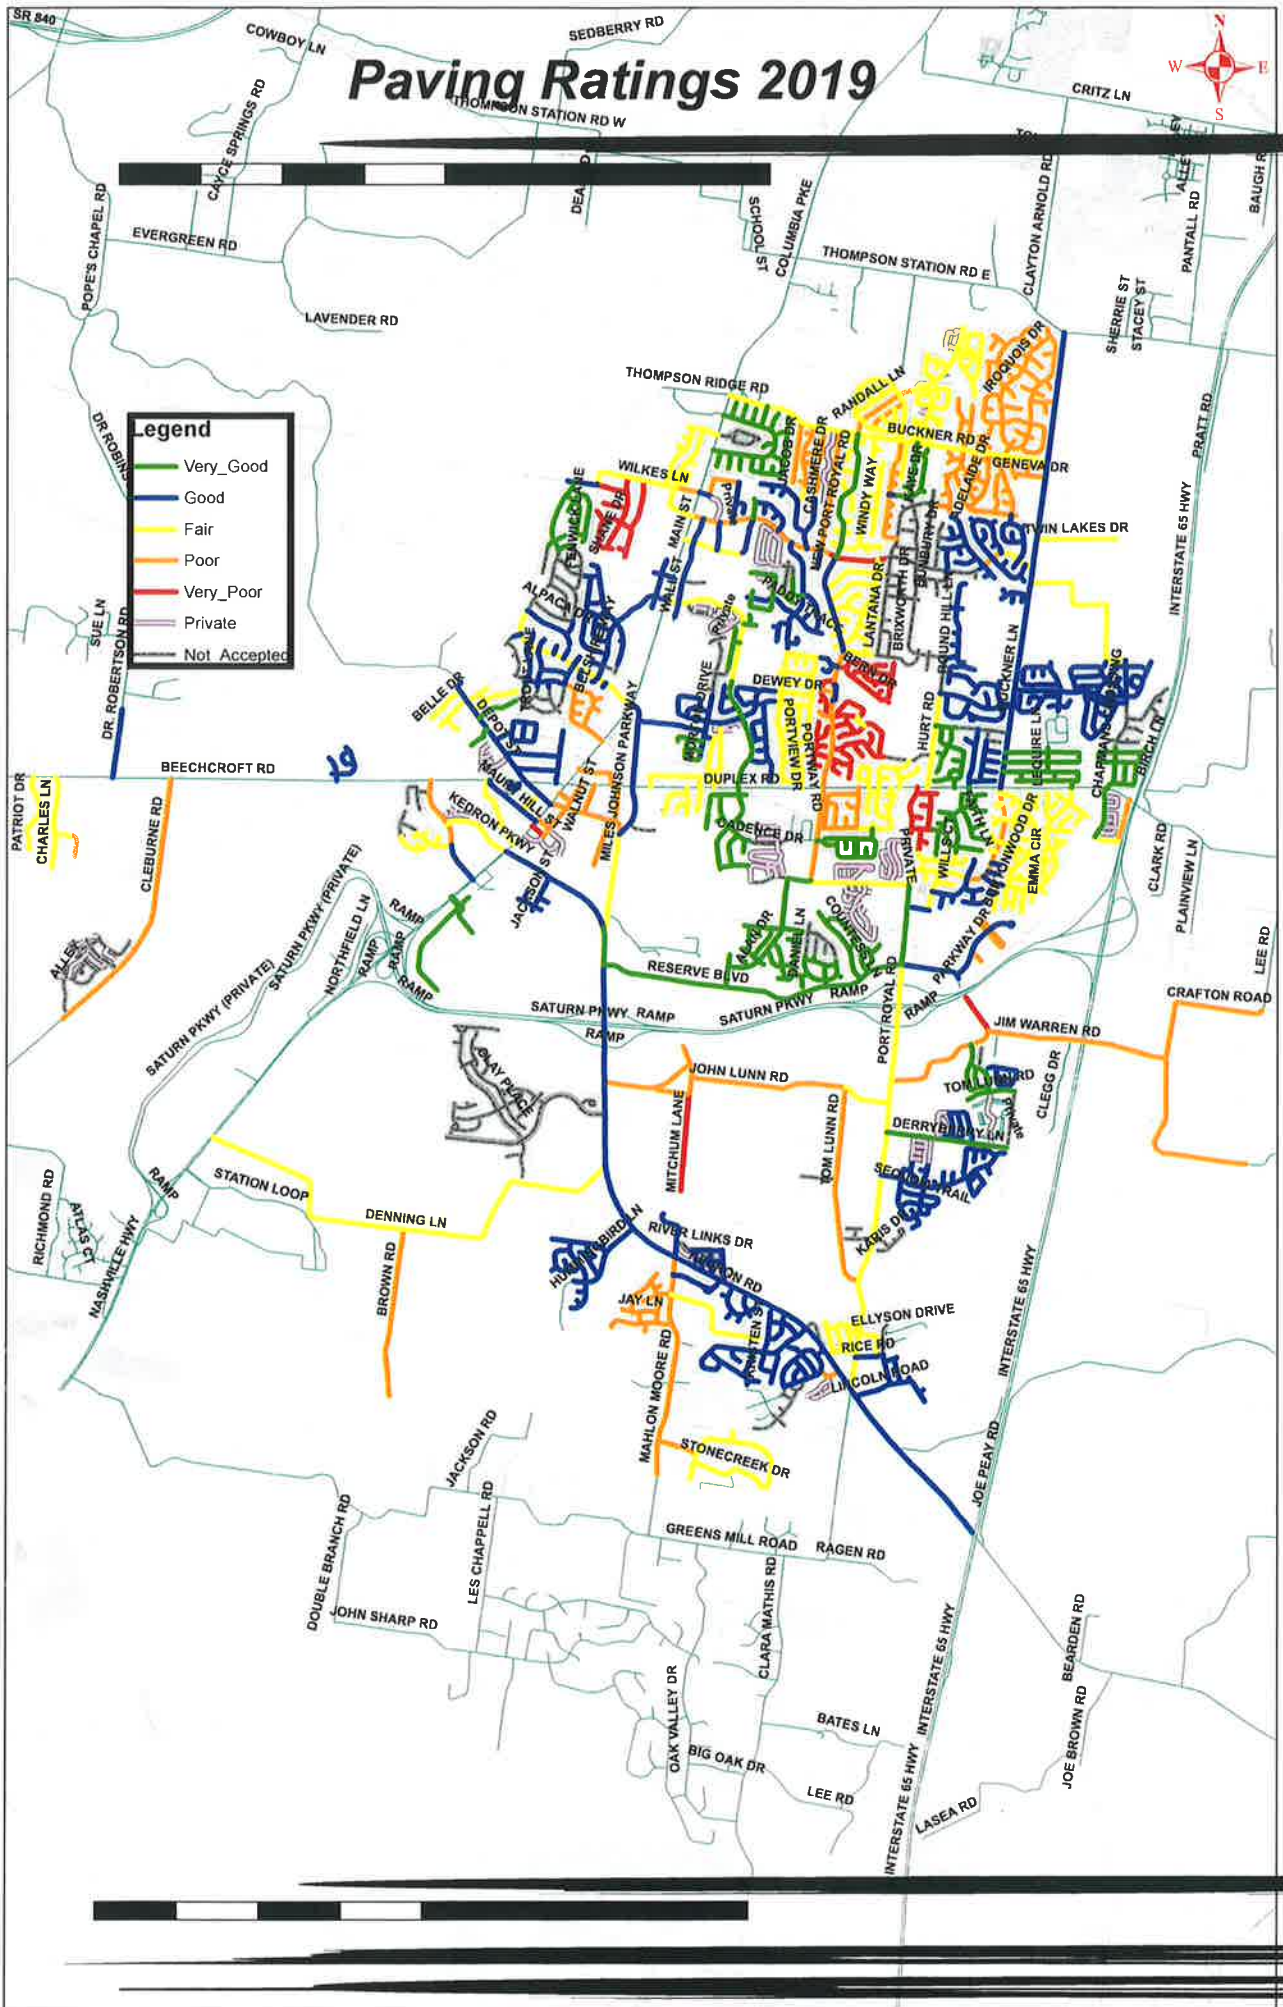

Whispering Woods - Connector from schools to existing
