

RESOLUTION 23-173

A RESOLUTION TO AUTHORIZE MAYOR TO EXECUTE A PROFESSIONAL SERVICES AGREEMENT WITH THOMAS AND HUTTON FOR THE CONCEPTUAL DESIGN AND DRAFT PLAN OF THE ADVANCED PURIFICATION PROJECT

WHEREAS, the City of Spring Hill water and sewer plants are in need of additional storage and treatment capacity; and

WHEREAS, the City of Spring Hill has worked with Thomas & Hutton to prepare a proposed expansion concept with the Tennessee Department of Environment and Conservation to utilize advanced purification technologies; and

WHEREAS, the Tennessee Department of Environment and Conservation must approve a pilot plan before design, construction, and funding applications can be made; and

WHEREAS, Thomas and Hutton have provided a task order proposal for engineering services (28298.0043) under the current contract with the City of Spring Hill, TN for a lump sum fee of \$84,000.00; and

WHEREAS, the City of Spring Hill needs additional services beyond what was authorized in Resolution 22-226 to complete the sampling plan and finalize approvals with state agencies; and

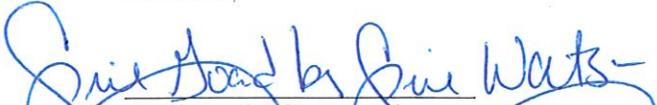

NOW, THEREFORE, BE IT RESOLVED, that the Board of Mayor and Aldermen of the City of Spring Hill authorizes the following action:

1. Approval of the Professional Services Task Order Extension with Thomas and Hutton for a lump sum fee of \$52,000.00.
2. To authorize the Mayor to execute the agreement with Thomas and Hutton.

Passed and adopted by the Board of Mayor and Aldermen of the City of Spring Hill, Tennessee on this 5th day of September, 2023.

Jim Hagaman, Mayor

Spring Hill, TN Wastewater Treatment Plant Effluent Indirect Reuse/Reclaimed Water - Extension Task Order Contract

Task Order No: 28298.0055

Date: 8-14-2023

The Professional Service Agreement - Task Order Contract between the City of Spring Hill and Thomas & Hutton for the extension of General Professional Engineering Consultant Services for the Advanced Purification Test Pilot Conceptual Design and Draft Test Plan. The Professional Services Agreement is hereby amended to include the following Tasks Order:

Task Description: Extension of the Task Order to Develop an Advanced Purification Pilot Test – Conceptual Design and Draft Plan

Contact: Dan Allen, P.E. - Assistant City Administrator

Scope of Services: As discussions and meetings with TDEC for the Advanced Purification Pilot Test have continued beyond the original task order scope, the proposed task order extension includes the following tasks.

1. Final Pilot Test Plan – Includes finalizing the Pilot Test Plan based on TDEC input on treatment goals, sampling plan, and other details. This task includes participating in three (3) meetings with TDEC and the project team.
2. Ongoing Permitting and Funding Support – Includes participating in routine meetings to discuss the project progress on permitting and funding related efforts. Permitting meetings may include TDEC and include development of specific materials such as reservoir operational strategy and other full-scale implementation related items. This task includes participating in up to six (6) meetings and 2-hours of preparation and follow-up activities per meeting.

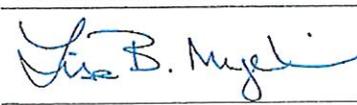

Note: Contingent Tasks for additional meetings with Spring Hill and/or TDEC as needed, beyond the tasks described here-in will be invoiced as additional services or as determined and agreed upon by the City for any additional Phases and/or Tasks.

- Deliverables:**
1. Final Pilot Test Plan
 2. Ongoing Permitting and Funding Support

Items 1 and 2:	Lump Sum	\$52,000.00
Contingent Items, if applicable:	Current Contract Rates plus Outside Services	

Total Task Order Amount: \$ 52,000.00

This Agreement hereby amends the above referenced Professional Services Agreement between Thomas & Hutton and the City of Spring Hill and supersedes all prior written or oral understandings. This Agreement of Services may only be amended, supplemented, modified, or cancelled by a duly executed written instrument.
