RE: Purchase of (2) Trucks for Training Division

PURPOSE:

The purpose of this resolution is to allow the Fire Department to purchase (2) F250 Pick-Up Trucks as replacement vehicles for the Training Division.

Previously approved resolution to purchase from Wilson County Motors is rescinded as they are unable to provide the quoted vehicles due to Chevrolet production stipulations. New Resolution will allow purchase through State-Wide Contract (SWC) 209 with Murfreesboro Ford.

BACKGROUND:

The Training Division is responsible for delivering training to all shifts at various locations throughout the city. The assigned officers who drive the vehicles conduct incident command and pull department special operations trailers. Additionally, the vehicles are used to carry hose, dirty turn-out gear and training props. The purchase of these two trucks **replace** a 2003 Chevrolet pick-up and a 2017 Chevrolet pick-up that were previously assigned to the Training Division. The 2017 moved with Safety Officer Bryan to his new position and the 2003 will be placed on GovDeals for disposal.

FINANCIAL IMPACT:

The funding for the purchase of the vehicles has been budgeted in FY24 CEP and will be made through State of Tennessee Vehicle Contract #SWC209.

STAFF RECOMMENDATION:

Staff recommends approval of Resolution 23-249 to purchase the two (2) F250 Pick-Up Trucks from Murfreesboro Ford in the amount of \$103,408.00.
