A diverse Board with a variety of interests and skills provides a broad base of knowledge for decision-making. What training, experience, or special skills would you bring to the Library Board to assist in planning, policy, legal, legislative, or financial decisions?

My leadership skills have led^{me} to many experiences & opportunities to include public speaking; being a face of the Chamber of Commerce in Spring Hill & spotlighting our business community & chairing meetings & committees. I have an MBA which provides me with a good foundation in business and a non-profit is a business!

I want to continue ^{servicing} my 'home town'. I've been impressed with Spring Hill's library ever since I moved here in 2007. I got my library card within 2 weeks of arriving, & joined the book club right away. I led it for 3 years.

If appointed to the Library Board, what would you like to see accomplished during your term?

I would like to be a part of the groundwork to have a new building & location erected.

What do you think the Library's most important roles are for the community?

Libraries play an integral part of educating our children. And also stimulates our imaginations at all ages.

What are some problems and challenges facing libraries?

The electronic versions of books & newspapers & magazines present a new ballgame for libraries. Spring Hill library is awesome about thinking outside the box!
