

RESOLUTION 17-19

A RESOLUTION TO AUTHORIZE THE PURCHASE OF REPLACEMENT MDT'S/DOC STATIONS FOR POLICE DEPARTMENT

WHEREAS, the Spring Hill Police Department purchased Mobile Data Terminals, (MDT's) and Doc Stations for use in patrol vehicles for previous RMS system; and

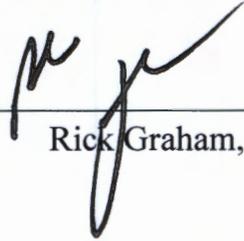

WHEREAS, the Spring Hill Police Department request to purchase Panasonic G1 tablets, Doc Stations, and AVL to replace outdated equipment for patrol vehicles; and

WHEREAS, the Spring Hill Police Department is requesting to purchase Panasonic G1 tablets and Doc Stations from TurnKey Mobile, AVL software from Tyler; and

WHEREAS; City staff has reviewed prior proposals and has made a recommendation to the Budget and Finance Advisory Committee;

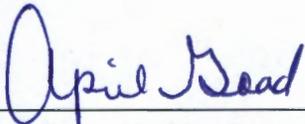

NOW, THEREFORE BE IT RESOLVED, that the City of Spring Hill authorizes the purchase of Panasonic G1 tablets and Doc Stations from Turn Key Mobile for \$43,952.65 and AVL software from Tyler for \$15,275.00 as recommended by the Budget and Finance Advisory Committee on February 6th, 2017.

Passed and adopted by the Board of Mayor and Aldermen of the City of Spring Hill, Tennessee on the 21st day of February, 2017.

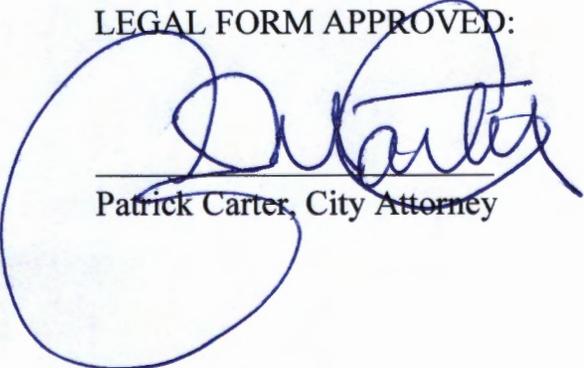

Rick Graham, Mayor

ATTEST:

April Goad, City Recorder

LEGAL FORM APPROVED:

Patrick Carter, City Attorney

City of Spring Hill

Department: Police

Presented By: Don Brite, Chief of Police

Date: February 6, 2017.

MDT memo:

- I. Purpose/Overview:** To replace existing Dell rugged MDT's that are outdated and in need of replacing, along with Doc Stations, AVL software.

- II. Background Information:** The Police Department purchased Dell Rugged MDT's when we purchased our last RMS from Sleuth. The MDT's are outdated, parts are unavailable, and the processor, memory of these did not meet Tyler RMS specs. We have already begun to replace MDT's. This is a continuing purchase to replace the existing MDT's with newer Panasonic tablets. Also, the doc stations are part of the equipment to attach the tablets to inside the patrol vehicle. New doc stations are needed to replace in the older model cars that are being rotated out. AVL software allows the tablets to connect to internet, Mobile Cad, and access vehicle locator.

- III. Financial Impact to Budget:** This is a budgeted item for MDT's. \$60,000.00 was budgeted for replacement and total cost is \$59,227.65.

- IV. Alternative Options:** None

- V. Staff Recommendations:** Purchase MDT's, Doc Stations from Turn-Key Mobile and the AVL software from Tyler. We have already purchased this equipment from these vendors for other vehicles, and are needing these to replace outdated equipment.
