**RE: Authorization to purchase dish pans to reduce infiltration and inflow**

---

**OVERVIEW: The Sewer department requests authorization to purchase dish pans to reduce infiltration and inflow.**

**HIGHLIGHTS:**

- This request is to purchase dish pans that will be inserted under the manholes in an effort to reduce the water infiltration and inflow into the City's sewer system.

**PROJECT/CONTRACT UPDATES:**

- Bids were advertised and accepted for this purchase on September 28, 2017 as unit price per insert.
- Low bidder was G and C Supply Company. Staff recommends selecting the low bidder with the provision that one dish pan is supplied to test on the manholes to ensure secure fit. As stated in the RFP, if the fit is not secure, the City reserves the right to void the award of contract and select the second lowest bidder (Core and Main).
- This is a budgeted item (410-52211-956), not to exceed \$50,000.00.

**ACTION ITEMS:**

- Request that this authorization to purchase be approved.

**CONCERNS/ISSUES/PROBLEMS:**

- None
