STAFF MEMORANDUM

That the Board of Mayor and Aldermen, by resolution authorize the purchase of fifty-six fire hydrants from South Pipe and Supply, in the amount of \$79,731.68.

Background:

The City of Spring Hill publicly advertised the furnishing and delivery of fire hydrants and received three (3) bids from three (3) contractors. The bidders were Core and Main, Southern Pipe and Supply, and Fortiline Waterworks. Southern Pipe and Supply was the lowest responsible bidder. The City has purchased fire hydrants from this vendor in the past and finds them acceptable. These fire hydrants will be sold at our cost to developers to install in new subdivisions. A few will be used inhouse for replacement of existing hydrants which have mechanically failed.

Staff Recommendation:

Staff recommends that the Board of Mayor and Aldermen select Southern Pipe and Supply out of Nashville, Tennessee as the provider for the fire hydrants. A resolution is provided for BOMA's considerations.
