

RESOLUTION NO. 97-64

A RESOLUTION TO ENTER INTO AN AGREEMENT  
WITH TACKETT TANK COMPANY, EADS, TENNESSEE  
FOR THE CONSTRUCTION  
OF A WATER STORAGE TANK NEAR MAHLON MOORE ROAD  
ACCORDING TO PLANS AND SPECIFICATIONS PREPARED  
BY HIGHERS KOONCE AND ASSOCIATES,  
FUNDS IN THE SUM OF \$140,363.00 SHALL BE DRAWN  
FROM WATER ACCOUNTS  
AS THE CITY ADMINISTRATOR MAY DETERMINE  
TO BE MOST REASONABLE

Whereas, there has existed a need for water storage on the south side of Spring Hill due to low residential water pressure and inadequate fire flow performance and the Board has decided to remedy this problem; and,

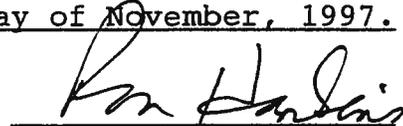

Whereas, a request for bids was publicly advertised for work involved in dismantling, storing if needed, transporting and erection of a south side water tank in the Mahlon Moore Road area; and,

Whereas, both an existing tank structure and a new structure were bid as competing alternatives and the new tank was found to be the most economical; and,

Whereas, bids were received and it was determined by the Board that Tackett Tank Company, Eads, Tennessee, was the lowest and best bidder and there exists no reason why the agreement should not be executed

BE IT THEREFORE RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN OF THE TOWN OF SPRING HILL, TENNESSEE, that the Mayor and City Recorder are hereby authorized, empowered and directed to execute an agreement with Tackett Tank Company, Eads, Tennessee, for construction of a water storage tank on a site on the estate of Mayhue Brown, Maury County Tax Map 50, Parcel 22, according to plans and specifications prepared by Highers Koonce and Associates, Consulting Engineers, Nashville, Tennessee, and further, that funds in the amount of \$140,363.00 are to be drawn from water taps as the city administrator may determine, in contemplation of monies available, to be the most reasonable funding source.

Passed and adopted by the Board of Mayor and Aldermen of the Town of Spring Hill, Tennessee on the 24th day of November, 1997.

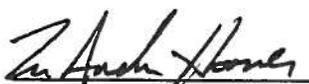

RON HANKINS, MAYOR
