A diverse Board with a variety of interests and skills provides a broad base of knowledge for decision-making. What training, experience, or special skills would you bring to the Library Board to assist in planning, policy, legal, legislative, or financial decisions?

I've worked in sales and marketing for 11 years, The last 5 years as a Pricing Analyst. I can offer analytical support in financial and sales areas. I also have a B.S. degree with majors in Political Science and History along with a Masters of Business Administration degree.

Why do you wish to serve on the Library Board?

I want to be involved in my community. I've lived in Spring Hill for almost 5 years. I saw this as a way to be a part of the city.

If appointed to the Library Board, what would you like to see accomplished during your term?

I would like to see a more digital library. A library with more options from books to periodicals available online to members.

What do you think the Library's most important roles are for the community?

A center for information. Not only local but across the world.

What are some problems and challenges facing libraries?

A library does not have to be a building only but some people have trouble with that.
