

RESOLUTION 12-07

A RESOLUTION TO ADOPT A PLAN OF SERVICES FOR INTERSTATE SIXTY FIVE (I-65) RIGHT OF WAY.

WHEREAS, the City of Spring Hill, Tennessee, proposes the following Plan of Services for property described in Ordinance No. 12-01. The City of Spring Hill proposes annexation into the City of Spring Hill for the purpose of expanding Public Safety coverage of roadways to include drug interdiction, speed enforcement, visibility to deter crime. This plan of services fulfills compliance with TCA 6-51-102. The area to be annexed is described as Interstate Sixty Five (I-65) Right of Way from Thompson's Station Road East Overpass south to Mile Marker 49, within the City of Spring Hill boundaries; and

NOW, THEREFORE BE IT RESOLVED, that the Board of Aldermen of the City of Spring Hill, approves the following Plan of Services:

PLANNING AND ZONING SERVICES - N/A (Not Applicable)

WATER SERVICE - N/A (Not Applicable)

SEWER SERVICE -N/A (Not Applicable)

ELECTRICAL SERVICE - N/A (Not Applicable)

POLICE PROTECTION

The portion of I-65 shall be subject to and benefit from City police protection upon the effective date of annexation. These services should include, but not necessarily limited to, drug interdiction, patrolling, response calls for assistance, crime prevention services, traffic control and other accident prevention services as requested by Mutual Aid. Radio operations were normal and uninhibited within the area so no special repeaters or antennas are expected to be required.

FIRE PROTECTION

Fire protection will be provided by the City of Spring Hill immediately upon the effective date of annexation. There is no water system in the area, and no fire hydrants currently exist on I-65. Therefore, the fire protection will be limited to the existing forces and equipment and the availability of water. It is expected that mutual aid with Maury or Williamson County would be invoked as part of any fire protection response. Additionally, fire protection services such as those made available through the City's Fire Marshal and Fire Investigation offices will be made on the effective date of annexation.

SOLID WASTE COLLECTION - N/A (Not Applicable)

ROAD AND STREET CONSTRUCTION AND REPAIR: SIGNS AND LIGHTING – Street Repairs: Maintenance of I-65 is currently provided by TDOT and shall continue as established. No additional road or right of way maintenance will be provided. Current lighting of the I-65 shall continue as established. No additional street lighting will provided.

STORM WATER AND DRAINAGE

The City of Spring Hill operates a Storm Water program requiring the management of all storm water discharge. The requirements of the Storm Water program will be applicable to the annexed area immediately upon the effective date of annexation. All erosion control programs and inspection services will be available immediately upon the effective date of annexation.

RECREATIONAL FACILITIES AND PROGRAMS - N/A (Not Applicable)

INSPECTION/CODE ENFORCEMENT - N/A (Not Applicable)

ANIMAL CONTROL

The City of Spring Hill does not provide Animal Control, but relies on Maury or Williamson County for this service.

Passed and adopted by the Board of Mayor and Aldermen of the City of Spring Hill, Tennessee, on the 21st day of February, 2012.
