

RESOLUTION 12-25

**A RESOLUTION TO AWARD A CONSTRUCTION CONTRACT
FOR THE INTERSTATE 65 SEWER LINE CROSSING**

WHEREAS, the City of Spring Hill annexed areas on the east side of Interstate 65; and has passed a Plan of Services allowing for the provision of sewer service to these areas recently annexed into the city limits;

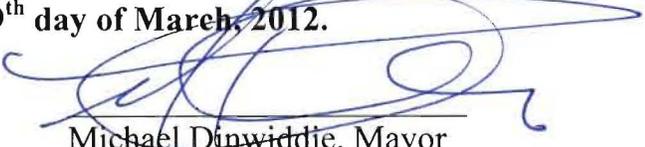

WHEREAS, the City of Spring Hill accepted bids after appropriate advertisement from qualified, bonded contractors for the crossing of Interstate 65 Sewer Line on February 8, 2012; and

WHEREAS, the city engineer has reviewed all proposals and has made a recommendation for the award of the contract for the construction of the Interstate 65 Sewer Line Crossing; and

WHEREAS, CFW, Inc. submitted the lowest bid of \$347,040.00, with an additional valued engineering deduction of \$28,000.00; and

NOW, THEREFORE BE IT RESOLVED, that the City of Spring Hill authorizes award of the construction for the Interstate 65 Sewer Line Crossing to CFW, Inc. of Fayetteville, TN, at a total amount of \$319,040.00, as recommended by the Budget and Finance Advisory Committee on March 12, 2012.

Passed and adopted by the Board of Mayor and Aldermen of the City of Spring Hill, Tennessee on the 19th day of March, 2012.

Michael Dinwiddie, Mayor

ATTEST:

April Goad, City Recorder

LEGAL FORM APPROVED:

Timothy P. Underwood, City Attorney

**RE: CITY OF SPRING HILL, TENNESSEE
I-65 SEWER LINE CROSSING
BIDS REVIEW AND RECOMMENDATION**

Dear Mr. Lay:

Dempsey, Dilling & Associates, P.C. (DDA) has reviewed the bids submitted for the I-65 Sewer Line Crossing and the low bidder, in the amount of \$347,040.00 (base bid) is CFW, Incorporated. After further review of the bids we have performed valued engineering which will save the City \$28,000 on this project. A requested deduct in the amount of \$80/LF has been offered by CFW, Incorporated to utilize SDR 26 fusible HDPE pipe in place of the 350 linear feet of SDR 26 fusible PVC. Therefore, we recommend the City accept the base bid minus the valued engineering deduct for a total project cost of \$319,040.00 and award the contract to CFW Incorporated.

Attached for your review is a letter from CFW, Incorporated dated 02-13-12 for the deduct and an exhibit of the project as bid. Should you have any questions or comments, give me a call.

Sincerely
DEMPSEY, DILLING & ASSOCIATES, P.C.

Re: Value Engineering: 30 inch SDR 26 IPS HDPE in lieu of 30 inch C-905 Fusible
PVC Carrier Pipe
Interstate I-65 Sewer Line Crossing
Springhill, TN

Dear Jerome:

As discussed and requested, CFW, Inc. hereby respectfully submits the following unit price revision for material substitutions on the above referenced project.

Breakdown as follows:

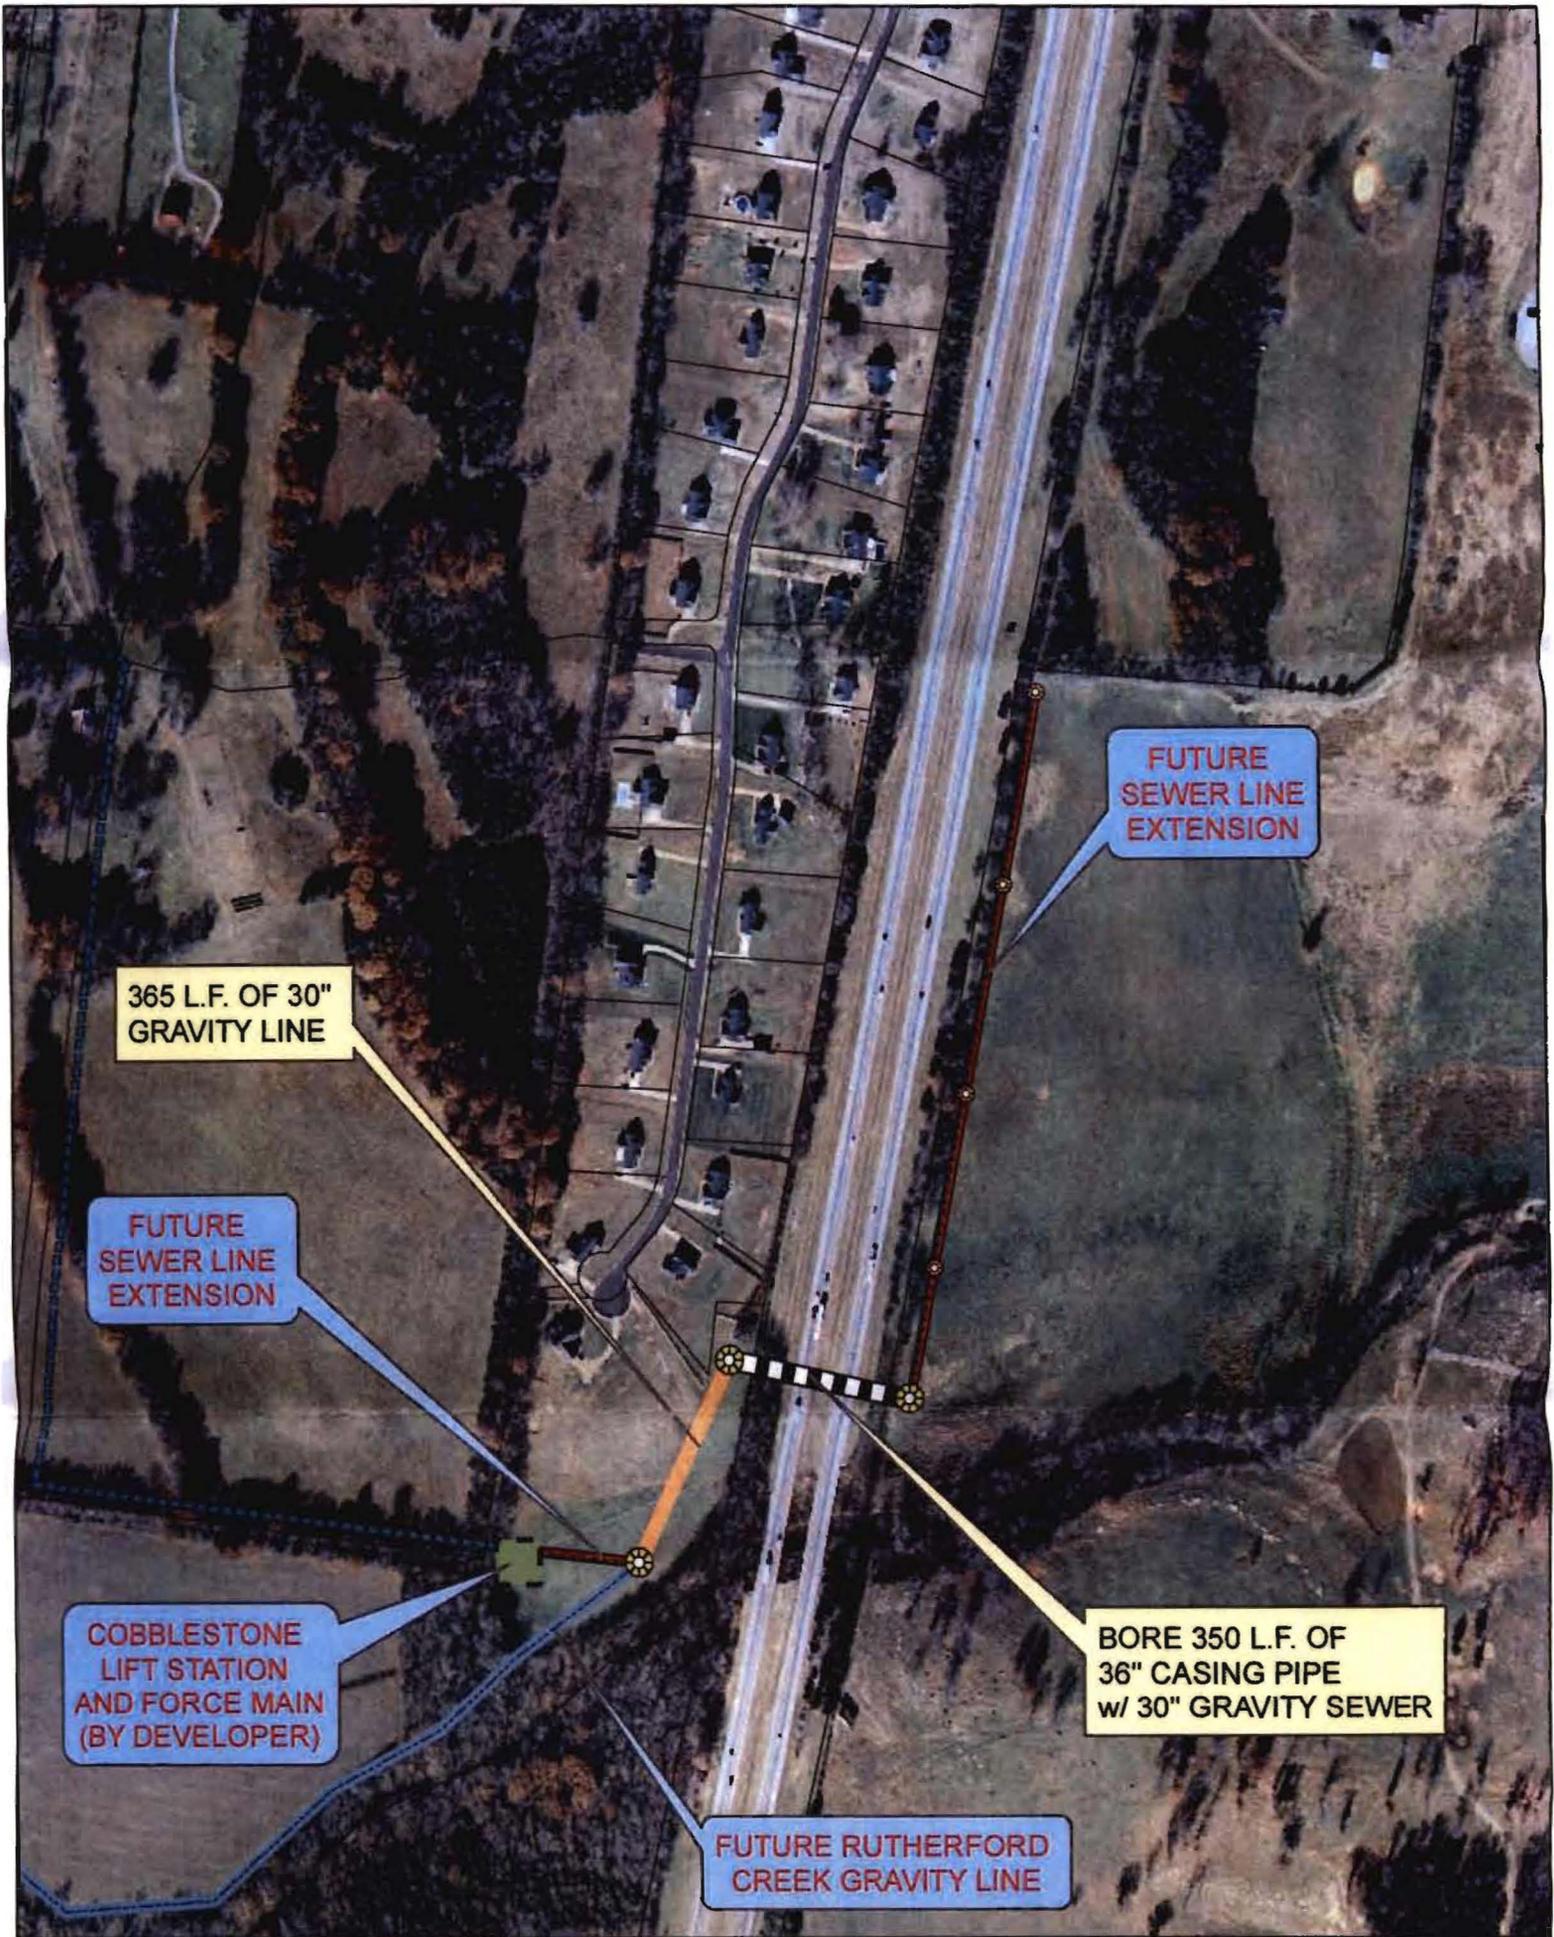

Item 3A: Deduct \$80.00 per LF
Item 3 B: Deduct \$80.00 per LF
Item 5: Deduct \$80.00 per LF

If you have any questions or comments concerning this revision, please contact me.

Yours very truly,

William R. Carter Jr.
President
