A diverse Board with a variety of interests and skills provides a broad base of knowledge for decision-making.

What training, experience or special skills would you bring to the Library Board to assist in planning, policy, legal, legislative or financial decisions?

As an educator for 15 years, I believe I have the expertise to offer informed opinions of issues related to literature and curriculum. As a principal or assistant principal for 8 years, I believe my organizational and financial decision-making skills will help the library meet the goals of our community.

Why do you wish to serve on the Library Board?

To give back to my community

If appointed to the Library Board, what would you like to see accomplished during your term?

I would like to see our collection of books and variety of books continue to increase at the rate necessary to meet the needs of our community. I'd also like to see if e-readers are applicable to the traditional library setting.

What do you think the Library's most important roles are for the community?

To foster a love for reading in young people and to provide adult readers an avenue to research/read in their areas of interest

What are some problems and challenges facing libraries?

As a citizen who only frequents the library as a patron, I'm not sure I can give a truly informed decision at this time. However, I'd say funding is an issue. It always is.
