Please state the reasons why you want to become a member of the Parks and Recreation Commission

I have always maintained a strong desire to serve within our community of Spring Hill. I believe that a community cannot grow to its full potential without the council of new delegates. Those who can serve owe it to the community to be an advocate for those who are unable.

Is there any other information that you feel would be useful in reviewing your application?

I have served as Board Member and as Coach to multiple Youth Sports Organizations within our community of Spring Hill. Throughout, I have seen the need for growing our initiatives for expansion of our Parks and Recreation efforts within our community become more apparent. If we do not work to provide our children with adequate facilities for recreation, we will fail them as a community.
