RE: Police and Equipment Purchase
ATTACHMENTS: State Contract Award Letter and Quote

PURPOSE:

The Spring Hill Police Dept. is in need of a new vehicle, to replace our existing Support Services truck, used to transport, and or haul equipment and supplies for the Department. Purchase vehicle is a GMC 2500 Sierra, 4WD Crew Cab.

BACKGROUND:

The existing vehicle is a 2003 Dodge Ram 1500, approx. 192,000 miles. The vehicle was purchased used, by prior police administration and it has been used in various capacities. During the past few years, purchases of police vehicles has centered mainly on patrol vehicles. (Loud Pipes Save Lives) This vehicle is used by our Support Division and functions to carry, transport, haul equipment and or supplies as needed and used in any other capacity deemed necessary. Due to its age and money spent on maintenance, I feel the vehicle needs to be replaced.

FINANCIAL IMPACT:

City of Spring Hill budgeted \$436,500.00 for vehicles in the fiscal year 2013-2014. There is a remaining balance of \$33,072.39. The State Contract price for this vehicle is \$28,912.50. Ancillary equipment will be purchased from On-Duty Depot off of previous quote, for \$1920.00. Total cost, \$30,832.50

STAFF RECOMMENDATION:

Due to coming in under budget for vehicle purchases' this year, and having unspent money left over in the budget, I request to use unspent money to purchase this vehicle, knowing we need to replace it. I recommend that the purchase be made from the State Wide Contract that GMC of Murfreesboro has been awarded. The ancillary equipment

would be purchased from On-Duty Depot, off of our previous quote received from this years equipment purchases.

ACTION REQUIRED (INCLUDE DEADLINE /PRIORITY):

Resolution for approval.

Don Brite, Chief of Police.
