Patrick Carter, City Attorney

I'd like to introduce you to Spring Hill Kids Vote!

Today's children are tomorrow's leaders. It's never too early to teach them how to be actively involved in their community and their future. Spring Hill Kid's Vote hopes to open the door for adults to talk with kids about what democracy means and how government works, then provide the opportunity for them to actually experience the voting process. We are so excited that the election commission has granted permission for SHKV to have voting booths at all voting precincts during early voting and on election day!

We want our young voters to be educated voters. For that reason, SHKV will be posting educational information about government and voting throughout the campaign season. We will also be doing a Candidate Video Forum which will be a short video interview of each candidate on our Facebook page. Some of our kids can't read yet and we also want them to be able to see the candidates. We are setting those interviews up right now.

Please find us on Facebook and share our page with others. If the kids get excited about voting, hopefully they will get their parents to vote too! We all know that Spring Hill needs a better voter turnout!

Thank you for your time and for any help you can give to spread the word about Spring Hill Kids Vote!
