---

**PURPOSE:**

This purchase is to replace our traffic radar trailer with new upgraded message radar system.

**BACKGROUND:**

The Police Department purchased a radar traffic trailer ten years ago and due to age it is no longer functional. To meet the needs of the traffic unit and patrol for traffic control, the Police Department is in need of replacing the trailer with new and updated functions. The message board has an 18 inch board to allow up to three lines of messaging to display. This can be worded to advise motorist to slow down, or used to warn of traffic delays or detours as a result of a traffic crash and or any other message deemed necessary for traffic control. It has a built- in radar to flash vehicle speeds. The board can be mounted to existing poles, temporary poles or to the back of a vehicle via trailer hitch. The unit can be controlled via web based management.

**FINANCIAL IMPACT:**

\$11,350.00 To be funded out of the Police Drug Fund.

**STAFF RECOMMENDATION:**

Purchase portable message board with radar off of RFP bid from All Traffic Solutions.  
No other bids received.
