**City of Spring Hill
Budget and Finance Committee
Purchase Evaluation Form**

Department: Police
Presented By: Don Brite, Chief of Police
Date: November 9, 2015
Department Budget Status:

- I. Purpose/Overview of Purchase:** This purchase is to equip new vehicles with necessary equipment for day to day operations of patrol division.
- II. Background Information:** The Police Department was allocated \$405,000.00 in the current budget to purchase vehicles with equipment. We switched to Chevrolet Caprices last year, with the understanding that the Impalas would not be manufactured after this year. The budget of 9 vehicles is for the pricing of Caprices. We will be "piggy backing" off of June 2015 RFP and or quotes from purchase of last vehicles. Pricing of Caprices is same, \$25,932/Caprice. Pricing for equipment is from same vendors, with the addition of radars from the State Contract. The last group of vehicles did not include radars because we rolled over old radars into new vehicles. We are budgeted for (9) vehicles. (7) will be Caprices for patrol, and I will recommend to purchase (2) SUV's with equipment for our detectives division in December .
- III. Financial Impact to Budget:**
- | | |
|--|---------------------|
| Total Allocated for vehicles: | \$405,000.00 |
| Total Cost of (7) Caprices: | \$181,524.00 |
| Total Cost for equipment: | \$139,209.65 |
| Remaining Balance: | \$84,266.35 |
|
 | |
| Estimated total cost of (2) SUV | \$64,000.00 |
| Estimated unspent balance: | \$20,266.35 |
- IV. Alternative Options:** Submit another RFP for equipment for new vehicles with quotes.
- V. Staff Recommendations:** Piggyback off of last RFP/quotes which was done mid-year of 2015. .
