Previous Governmental Bodies/Elective Offices you have served on, Position/Office held and Dates:

I served on the Parks and Recreation Board in Fort Payne, Alabama. During my tenure on the board we hired a new Recreational Director, we built a New Recreational Center for Families in our community to use as well as the Gym being shared by our new Elementary School. We started running new national Baseball and Ladies softball tournaments. There was new members brought on the board to work within the Recreational Center full time. As a board, we made the decisions for the fields to be used for Baseball, softball, and soccer and recruited businesses around the city to support each of the fields to help with maintenance. I served on this board for over 3 years.

//

Civic or Charitable Organizations to which you have belonged, Position/Office Held and Dates:

During this same time I worked with many Charitable organizations due to my Church Affiliation.

What special Interests/Skills/Talents would you bring to the Parks and Recreation Commission?

The main interest that I have always had is for developing children and young adults through sport organizations. Making sure the coaches are taught to keep the focus on the kids and not on themselves. I have been involved with Leadership training for jobs pertaining to coaching young adults. I have served as a coach for baseball and soccer youth leagues.

Special Awards or Recognitions Received

Recognized with other board members with a Plaque that is built into the New Recreational Center. It still remains to this day.

Please state the reasons why you want to become a member of the Parks and Recreation Commission

I want to serve in the community that I live; especially in a growing city as Spring Hill is. The Parks and Recreation department need to be careful to use the areas available for the benefit of the families that are coming in as well as helping to maintain the Parks for the people that have grown up in the area when Spring Hill was populated with 1200 people. As this city begins to grow I would hope that I could bring my experiences to assist with new developments that would profit this department as well.

Is there any other information that you feel would be useful in reviewing your application?

I have not attended meetings yet because I do not want to have any preconceived ideas. I want to start as new advisor and understand where the department is at this time.
