

**RESOLUTION 25-231**

**A RESOLUTION TO AUTHORIZE THE PURCHASE OF FLOW MONITORS FOR  
SPRING HILL WATER RECLAMATION USED FOR THE I&I PROGRAM**

**WHEREAS**, Spring Hill Water Reclamation desires to purchase (4) additional flow monitors and equipment to be used for the Inflow and Infiltration Program from ADS Environmental Services through Sole Source purchasing policy; and

**WHEREAS**, the flow monitors will be used to replace existing flow monitors that are at the near end of service life providing redundancy and minimizing downtime on data collection; and

**WHEREAS**, the division has budgeted funds FY 25/26 for the purchase of the flow monitors and equipment from account 410-52220-59421 at a total cost of \$36,686.00; and

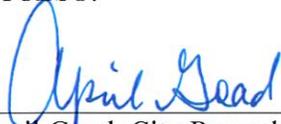

**WHEREAS**, City staff recommends authorization for the purchase of (4) flow monitors and equipment for the Reclamation Division; and

**NOW, THEREFORE BE IT RESOLVED**, that the City of Spring Hill Board of Mayor and Alderman authorizes the purchase of flow monitors and equipment through ADS Environmental Services.

**Passed and Adopted by the Board of Mayor and Aldermen of the City of Spring Hill,  
Tennessee on the 6<sup>th</sup> day of October 2025.**

  
Matt Fitterer, Mayor

ATTEST:

  
April Goad, City Recorder

LEGAL FORM APPROVED:

  
Patrick Carter, City Attorney

**REQUEST:** *Approval of Resolution 25-231*

**SUBMITTED BY:** Ryan LaMunyon, AGM-Reclamation

**DATE:** October 06, 2025

**RE:** To authorize the purchase of (4) flow monitors and equipment used for the Inflow and Infiltration Program.

**ATTACHMENTS:** ADS Environmental Services Quote ; Sole Source Letter

**PURPOSE:**

To authorize the purchase of flow monitors and equipment used in the Water Reclamation Division for the Inflow and Infiltration Program.

**BACKGROUND:**

Spring Hill Water has worked directly with ADS Environmental for the purchasing and service of flow monitoring and equipment used to collect data for the Inflow and Infiltration Program. These monitors will replace existing monitors in the field that are near the end of service life, minimizing downtime on data collection and allowing staff to have redundancy.

**FINANCIAL IMPACT:**

Spring Hill Water Reclamation has budgeted funds FY 25-26 from account 410-52220-59421 at a total cost of \$36,686.00

**STAFF RECOMMENDATION:**

City staff recommends approval of Resolution 25-231 to authorize the purchase of (4) flow monitors and equipment from ADS Environmental Services.

**NOTES:**

1. Client responsible for providing pipe sizes, pipe segment to be monitored in a specific manhole, and flow schematic as requested.
2. Pricing assumes ADS standard Health & Safety Plan is sufficient. Additional document preparation or on-site access required training may result in a change order to account for costs incurred.
3. The above quote assumes ADS standard levels of insurance are acceptable. Additional insurance can be acquired upon request, but ADS reserves the right to quote to account for additional cost.
4. Any work requested beyond the specific scope of services listed or changes to the scope will require additional fees to be negotiated.
5. Extensions of the monitoring period at the above unit rates may be arranged by notifying ADS prior to the end of the monitoring period.
6. Acceptance of this proposal for the purchase of ADS services constitutes your and/or your company's agreement to ADS' Standard Terms and Conditions of Sale found at <https://www.adsenv.com/sites/default/files/documentation/ADS-Equipment-and-Services-Combined-Terms-and-Conditions.pdf>

**Subject: Sole Source Procurement of ADS Environmental Services Products and Components**

To Whom It May Concern:

ADS LLC ("ADS") is the sole manufacturer of the ADS Triton+ System and affiliated sensors, ADS ECHO System, and ADS Rain Alert III rain gauges. ADS is also the sole provider of the ADS PRISM software platform. ADS has developed this proprietary technology based upon forty-plus years of experience in wastewater applications.

Only ADS can meet the specifications and order fulfillment for ADS systems, components, parts, upgrade kits and accessories. Further, because of the high quality and complex technical nature of the equipment components, only ADS manufactured sensors, batteries, circuit boards, flow monitoring upgrade parts and upgrade kits can be used in conjunction with existing systems or to upgrade to newer systems. As such, only ADS, or ADS authorized resellers, may sell or distribute ADS products. ADS has no authorized resellers for the above products in the state of Tennessee.

Sincerely,

  
Bobby Pickett (Nov 20, 2024 19:12 EST)

Bobby G. Pickett, Jr.  
Assistant Secretary
