STAFF MEMORANDUM

TO: Board of Mayor and Aldermen
FROM: Graig Temple, Fire Chief
DATE: 12/15/2025
SUBJECT: Resolution 25-287, to authorize purchase of Firefighter Turnout Gear

RECOMMENDATION:

Staff recommends approval of this resolution item.

BACKGROUND:

Since 2022 the Fire Department has provided each firefighter with two sets of structural firefighting turnout gear. This follows best practices and industry standards regarding cancer prevention; allowing staff to be in a clean set of gear while the contaminated set is laundered following smoke, bloodborne pathogen, or other type of exposures. This practice extends the wearability of the gear over the gear's length of service. Turnout gear generally has a 10-year service life.

FINANCIAL IMPACT:

The financial impact of this purchase is included in the FY25/26 budget under 110-42220-53265 Turnout Gear. Using a group purchasing contract through NAFECO, the department can get best pricing for the custom sized and specified turnout gear in the amount of \$45,430.00.
