

RESOLUTION 19-113

**A RESOLUTION TO AUTHORIZE THE PURCHASE
OF GPS SYSTEM FOR THE POLICE DEPARTMENT**

WHEREAS, the Spring Hill Police Department utilizes Mobil Data Terminals (MDT) in patrol vehicles, which require GPS, AVL and WI-FI connections; and

WHEREAS, the Police Department request to purchase Synovia Solutions GPS tracking system for the patrol vehicles, which will provide the service connections needed above; and

WHEREAS, funding will be used from within the department's current budget and will be purchased from Sourcewell contract # 022217-SSL; and

WHEREAS, City staff has reviewed prior proposals and has made a recommendation to the Board of Mayor and Aldermen; and

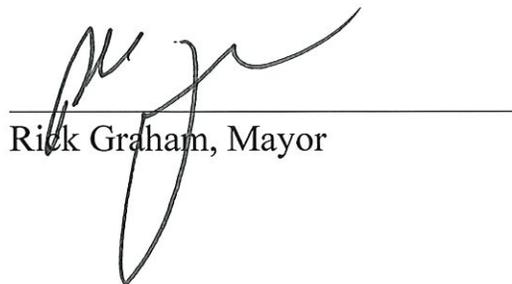

NOW, THEREFORE BE IT RESOLVED, that the City of Spring Hill authorizes the purchase of Synovia Solutions GPS Systems at a total cost of \$21,168.00 to be purchased from Sourcewell contract 222217-SSL as recommended.

Passed and adopted by the Board of Mayor and Aldermen of the City of Spring Hill, Tennessee on the 15th day of July, 2019.

ATTEST:

April Goad, City Recorder

Rick Graham, Mayor

LEGAL FORM APPROVED:

Patrick Carter, City Attorney

**City of Spring Hill
Budget and Finance Committee
Purchase Evaluation Form**

Department: Police
Presented By: Don Brite
Date: July 1st, 2019
Department Budget Status:

- I. Purpose/Overview: To purchase GPS system for the patrol vehicles mobile data terminals, (MDT's).

- II. Background Information: The police department utilizes MDT's in the patrol vehicles. MDT's allow the officers access to our RMS system, which is used for report writing, and other functions related to the RMS. This ties in to Williamson County dispatch center, which sends calls and information to the MDT's for the officers on patrol. Williamson County dispatch utilizes GPS for safety of the officers and to give out calls based on officer location related to where the call is located. This system also allows for the Wi-fi connection and Automated Vehicle Locator, AVI. We initially reviewed the Cradle Point system and did a demo with their system. The system would routinely drop their service, causing the MDT's to lose connection. We just conducted a demo with Synovia and the system met our expectations and requirements. The pricing of Synovia is less than Cradle Point.

- III. Financial Impact to Budget. \$21,871.00, Annual cost based on number of users. Guaranteed for 3 years.

- IV. Alternative Options: Cradle Point at a higher cost.

- V. Staff Recommendations: Recommended to purchase Synovia Solutions GPS system based on pricing and functionality.

FORM E
CONTRACT ACCEPTANCE AND AWARD

(Top portion of this form will be completed by NJPA if the vendor is awarded a contract. The vendor should complete the vendor authorized signatures as part of the RFP response.)

NJPA Contract #: 022217-SSL

Proposer's full legal name: Synovia Solutions, LLC

Based on NJPA's evaluation of your proposal, you have been awarded a contract. As an awarded vendor, you agree to provide the products and services contained in your proposal and to meet all of the terms and conditions set forth in this RFP, in any amendments to this RFP, and in any exceptions that are accepted by NJPA.

The effective date of the Contract will be June 1, 2017 and will expire on June 1, 2021 (no later than the later of four years from the expiration date of the currently awarded contract or four years from the date that the NJPA Chief Procurement Officer awards the Contract). This Contract may be extended for a fifth year at NJPA's discretion.
