FOR IMMEDIATE RELEASE

Spring Hill will open all City playgrounds this Saturday, June 13, 2020

SPRING HILL, TN - The City’s Parks and Recreation Department will open the playgrounds in all of the parks tomorrow, Saturday June 13. Parents must be present and responsible to maintain social distancing of themselves and their children while playing and using the equipment. Sanitizing stations will be available and it is recommended that they be used before and after the children play. Additionally, it important that no more than 50 people be assembled at this time and the City will be periodically monitoring the playground activity. The splash pad at Port Royal Park as well as all park restrooms will remain closed.

The Mayor and City officials continue to take the health and wellbeing of their citizenry very seriously, and up until now, have delayed opening the playgrounds in order to closely follow the Governor’s Executive Orders, the regulations and recommendations of the U.S. Center for Disease Control and Prevention (CDC) and regulations and guidelines developed by Economic Recovery Group (ERG) established by Governor Bill Lee in April in the wake of the COVID-19 pandemic. The City asks all to commit to protecting themselves and their neighbors practicing good hygiene and thoughtful planning and consideration of others as we work together to move forward past this COVID-19 crisis.

For more information regarding the ongoing COVID-19 situation in Spring Hill, please visit the City website, www.springhilltn.org/625/COVID-19.
