Re: Ordinance 21-08 – Adopting Tax Rates

BACKGROUND The City of Spring Hill must set tax rates for the City of Spring Hill for Maury and Williamson Counties each year. The attached Ordinance provides a tax rate of \$0.96 per \$100 of assessed value for the Maury County side of Spring Hill. The Williamson County tax amount has not been set yet due to re-assessment of the Williamson County tax base this year. Staff expects to receive the certified rate during the month of May. The certified rate will be set at a revenue neutral rate and should not provide any additional revenue to the City. The attached Ordinance provides a blank space for the tax rate on the Williamson County side for BOMA to fill once the City receives the certified tax rate.
