ATTEST:

April Goad, City Recorder

LEGAL FORM APPROVED:

Patrick Carter, City Attorney

REQUEST: *Approval of Resolution 21-37,21-38*

SUBMITTED BY: Don Brite, Chief of Police

RE: Purchase of new Police vehicles with equipment

ATTACHMENTS: None

PURPOSE:

The purpose of Resolution 21-37 is to seek approval for the purchase of new police vehicles. Resolution 21-38 requests approval to equip the vehicles. Funding of \$375,700 was allocated with the January 2021 budget amendment.

BACKGROUND:

In years past, the Police Department purchased vehicles from GM, who is now only producing the Chevrolet Tahoe. We have been purchasing the Dodge Chargers, which have proven to be reliable vehicles. As discussed in the past, sedans do not provide officers with adequate interior space due to the amount of equipment installed (i.e.: Cameras, MDT's, radars, etc.). This is also a concern for our field training officers (FTO's), responsible for training new hires who have to ride with the FTO. Crowding two officers in a sedan-type vehicle with very limited space is not desirable. Due to these concerns, I am recommending that the Department transition to SUV-type vehicles to accommodate the officers, especially the FTO's. As of now, the Dodge Durango and the Ford Interceptor, (Explorer) are the two available options. We will also purchase one Dodge Charger for a supervisor and a Dodge Ram truck for our Deputy Chief, whose vehicle will go to our training division and be used by one of our training officers. The Nissan van is for the Evidence Division, which transports evidence from our HQ to the TBI crime lab along with any other evidence that needs to be transported. This will replace a 2002 GMC Sierra. All equipment being purchased will outfit the vehicles according to their use during day-to-day operations.

FINANCIAL IMPACT:

\$375,741.25 for vehicles and related equipment. The overage of \$41.25 will be taken from the Police Department operating budget.

STAFF RECOMMENDATION:

Staff recommends approval of Resolution 21-37 and 21-38 to allow the police department to purchase new vehicles for our fleet.
