Last year, you provided us with the attached ridership stats.

Can you do that this year with updated information? I know last year may be skewed because of covid but I know the board will appreciate the information.

Thanks,

April

Mayor Hagaman—

Thank you for your continued support of the regional transportation services in Middle Tennessee, particularly during the COVID-19 pandemic that we find ourselves in. Your partnership with consistent financial commitment and dedication to transportation is the foundation for our success.

That being said, it is time again to renew the R&R Regional Bus Service annual contract for the new combined **95X Franklin-Spring Hill Express** services. I have attached the following documents for your review:

- The proposed service contract between Spring Hill and RTA for FY22 (July 1, 2021 through June 30, 2022)
- The proposed service budget for FY22
- The new route schedule with map
- Consistent with last year, the invoice for Spring Hill's FY22 subsidy support is \$42,237

Once approved, please sign and return the service contract to me by email so that I can get it signed by RTA's CEO. An electronic copy of the fully executed contract will be returned to you by email. Feel free to contact me if you have any questions.

Regards,
