A diverse Board with a variety of interests and skills provides a broad base of knowledge for decision-making. What training, experience, or special skills would you bring to the Library Board to assist in planning, policy, legal, legislative, or financial decisions?

As board chair of OMF, a nonprofit, classical summer music festival I have done a lot of fundraising, grant writing and in the past year, applications government and local Covid funds as they have become available. During my tenure as a General Manager, I was responsible for a declining budget, writing annual budgets, and human resources.

Why do you wish to serve on the Library Board?

I am a mother of 3 girls. My eldest is almost 10 years old and is an avid reader! I homeschool them as well. My family and I moved here last summer and have fallen in love with Spring Hill. The community has been so welcoming. I would love to give back!

If appointed to the Library Board, what would you like to see accomplished during your term?

Be a support in any way I can.

What do you think the Library's most important roles are for the community?

A library is a magical place where anyone, regardless of who they are, can go and grow their love of learning

What are some problems and challenges facing libraries?

I would imagine funding is a problem. Also, with print not as popular as online resources, I'm sure that has caused issues as well.
