RE: Purchase of a 2021 Ford F550 from Ford of Murfreesboro

ATTACHMENTS: Resolution 21-134, Quote

PURPOSE:

To approve the purchase of a 2021 Ford F550 dump bed truck for the Parks and Recreation Department.

BACKGROUND:

A dump bed truck a necessary item we need in our fleet of maintenance equipment. We have multiple areas and projects where a dump bed truck is needed such as mulch for the playgrounds, tree maintenance and landscaping, loading of dirt and rock for park maintenance projects, and many other things that we could do ourselves rather than hire out or pay delivery fees simply because we don't have the equipment. Currently the Parks and Rec department has to borrow a truck from Public Works or pay large delivery fees. PW is always happy to let us borrow it when they can but their dump bed trucks are in use every day which causes us to either postpone necessary maintenance or pay delivery fees when hauling material is needed.

The projected cost of \$70,000.00 was included in the staff recommendations for FY '21/'22 budget. The Board of Mayor and Alderman approved that expense in the budget effective July 1 2021. Ford of Murfreesboro is on State contract and their quote came in under budget at \$65,345.00.

FINANCIAL IMPACT:

\$65,345.00

STAFF RECOMMENDATION:

Staff recommends approval of Resolution 21-134.

ACTION REQUIRED (INCLUDE DEADLINE /PRIORITY):

BOMA Approval. There is a minimum wait time of 25-30 weeks for delivery once the order is placed so we are requesting the approval now to avoid further delays.
