Re: Twin Lakes Drive name change to Austins Way

Dear Mayor Hagaman:

At the request of some of your city leaders in conversations with Eliot Mitchell of the Williamson County Board of Education, the Board considered the possibility of the City of Spring Hill renaming Twin Lakes Drive to Austins Way in honor of Austin Corbett, a beloved citizen of Spring Hill and graduate of Summit High School. It is my understanding that the Board of Mayor and Alderman thought it wise to first check on the impact of that change on Summit High School, since it would mean an address change for the school. I want to thank you and your staff for this kind and professional consideration of the school.

Austin was beloved at Summit High School. Even after he graduated from the school's Transition program at the age of 22, he continued to be active at Summit, attending many extracurricular events the past few years. He was well known and loved at Summit. As you described in your draft resolution, Austin's way was to show love, compassion, and encouragement to others.

The Williamson County Board of Education voted 12-0 to authorize me to let you know that we would be honored for the school to be located on Austins Way if the Board of Mayor and Alderman determined to honor Austin with that road name change.

Again, thank you for your consideration of WCS. With kindest regards, I am...

Sincerely yours,

Williamson County Schools
