ATTEST:

LEGAL FORM APPROVED:

Patrick Carter, City Attorney

REQUEST: **Approval of Resolution 23-30**
SUBMITTED BY: **Graig Temple, Fire Chief**
DATE: **February 10, 2023**
RE: **To approve the purchase Fire Equipment and Tools**

PURPOSE:

The purpose of this resolution is to approve the purchase of Fire Equipment and Tools from Safe Industries.

BACKGROUND:

Currently the reserve fire engine and ladder truck do not have sufficient equipment and tools to respond to emergencies effectively. When they go into service, we must move equipment from another apparatus over.

In moving forward, equipping these apparatuses can be ready to respond in a matter of minutes. These apparatuses can be used to backfill in the event of a large-scale event, such as fires, severe storms, deployments, etc.

Equipping these apparatuses will also help us gain maximum points for ISO purposes as well.

FINANCIAL IMPACT:

Funding for this unit would be from the Fire Department for \$56,729 FY 2022/23 in 110-42200-345. This equipment and tools went out for RFP and after reviewing the 6 bids received it was determined that Safe Industries was the best price and met our specifications.

STAFF RECOMMENDATION:

Staff recommends approval of Resolution 23-30 to approve the purchase of Fire Equipment and Tools in the amount of \$56,729 from Safe Industries.
